WAR DEPARTMENT

THE ADJUTANT GENERAL'S OFFICE

WASHINGTON

IN REPLY
REFER TO ORD-147

September 26, 1934.

Respectfully returned to

Mr. John B. Meserve,
506 Daniel Bldg.,
Tulsa,
Oklahoma.

The name Michael Hyrd has not been found on the records on file in this office of Virginia soldiers in the Revolutionary War.

The collection of Revolutionary War records in this office is far from complete, and it is suggested as a possibility that the desired information may be obtained from the Librarian, Virginia State Library, Richmond, or from the Veterans Administration, Washington, D.C., which has custody of the U.S. pension records.

The records show that the name W. S. Hyrd, not found as William L. Hyrd, Adjutant, 1 Regiment Chester Mounted Rifles, Confederate States Army, appears on a Petition to the Secretary of War from Officers of the Indian Regiment in the service of the Confederate States, requesting that Colonel Sampson Polson of the 1st Chester Regiment be appointed Brigadier General in the Provisional Army Confederate States. Petition dated June 21, 1862, at Fort McCulloch. There are no master rolls on file in this office of the Field and Staff of this organization.

Statement of Service in the case of William L. Hyrd, Private, Company "F", 7 Regiment Texas Infantry, Confederate States Army, was furnished August 13, 1934.

One William L. Bird also borne as William L. Hyrd served in Company "F", 13 Regiment Arkansas Infantry, Confederate States Army.

Major General,
The Adjutant General.

Grange River C. N.
May 29 1862

This is to make known, that when J. S. Forley was reported to be under an arrest, (which fact was not officially made known to me until Provost Marshall came in Camp to arrest him) he was at the Quarter Master's tent and the following conversation was passed in my presence & wit: Said Forley desired some corn to be hauled to his Quarters from the opposite ^{side} of Arkansas River where there was some corn purchased for the Regiment. - The Quarter Master replied that he could not haul corn for him in as much as he had no waggons. Then said Forley asked permission from me to go over the said River to get some corn for his horse - I told him he needed no written permission in as much as he had been going over the River without it. - This was about the run of the conversation passed between us on that day, previous to the arrival of the Guard in Camp to arrest him.
